

HP t5570 Thin Client

Efficient design, simple setup

Smart design, simple management tools, and built-in energy efficiency to support and protect your Windows-based environment.

Support for Windows-based environments

The HP t5570 Thin Client delivers a great desktop experience with added features to make deployment and use simple and efficient. The HP t5570 is ideal for client virtualization settings that need support for legacy ports, Citrix ICA, Remote Desktop Protocol (RDP), terminal emulation, Windows Media Player, Microsoft Office viewers, and basic web browsing.

PC performance, energy efficiency built in

You'll experience traditional PC performance and multimedia playback while using less electricity. ENERGY STAR® qualified configurations help reduce power consumption. Additionally, enterprise-ready integrated Wi-Fi ¹ models provide wireless connectivity anywhere your network reaches. Designed with the environment in mind, the HP t5570 is EPEAT® registered, and BFR/PVC free ² to support your own environmental initiatives. The HP t5570 combines smart design with built-in efficiency.

Productivity and flexibility expand with you

Connect to the latest in display technology with native dual-digital monitor support or use existing analog displays with the included DVI-I to VGA adapter. Standard configurations include 6 USB 2.0 ports (two are located in a secure USB compartment), a serial port, a parallel port, and a power cord retention slot. And, you can easily mount the HP t5570 behind a monitor or on a wall with HP QuickRelease ³ to fit your space-constrained environment.

HP Thin Clients allow you to store critical data and applications on a secure, centralized server and control access permissions with local user and administrative log ins or add Smart Cards for greater end point security. You can also use industry-leading connection brokers with the HP t5570 for quick and easy access to a variety of virtual desktop solutions. You'll enjoy years of reliable use with the solid-state

design and industry-standard architecture of HP Thin Clients.

Integrated solution, easy to manage

Get the broadest set of client virtualization technologies for connecting to remote applications and desktops, including the latest from Microsoft, Citrix, and VMware with ease using HP Easy Tools. This new wizard-based set of utilities guides administrators through initial setup and configuration, and provides simple and effective deployment options.

With the HP t5570 Thin Client on the desktop, HP's proven portfolio of desktop-to-datacenter hardware, software and services will help you create a thin computing solution that improves your IT and user experiences. HP Thin Clients are backed by HP global service and support through our network of 50,000 IT pros in over 100 countries. You can also select from a range of HP Care Pack Services to extend your protection beyond the standard warranties ⁴.

SPECIFICATIONS

Operating system	Windows® Embedded Standard 2009
Browser	Microsoft Internet Explorer 7
Processor	VIA Nano U3500 Processor (1.0 GHz)
Video	Integrated VIA ChromotionHD 2.0 (in VIA VX900 chipset)
I/O and peripheral support	6 USB 2.0; 1 serial; 1 parallel; 2 PS/2; 1 RJ-45; 1 DVI-D; 1 DVI-I (DVI-to-VGA adapter included); 2 of the 6 USB 2.0 are in secure compartment
Connectivity	10/100/1000 Ethernet
Emulations	Dual monitor support
Software	Windows Embedded Standard 2009; Microsoft RDP 7.0; Citrix ICA 12.0 (XenApp Plugin for Hosted Apps 12.0); Microsoft Internet Explorer 7; Windows Media Player 11; HP TeemTalk Terminal Emulator 7; HP Remote Graphics Software Receiver 5.4 for VMware View and Microsoft Terminal Services; Adobe Flash Player 10.1; Altiris Deployment Solution agent (customer must purchase license)
Dimensions (W x D x H)	5.84 x 21.59 x 20.95 cm
Weight	Starting at 1.36 kg
Power	Worldwide auto-sensing 65W, 100-240 VAC, 50-60 Hz
Environmental	ENERGY STAR® qualified and EPEAT® registered
Warranty	3 years pick-up and return service (Certain restrictions apply)

¹ Wireless access point and Internet access required. Availability of public wireless access points limited. ² HP t5550, HP t5565, and HP t5570 thin clients are brominated flame retardant and polyvinyl chloride free (BFR/PVC-free) meeting the evolving definition of "BFR/PVC-free" as set forth in the "iNEMI Position Statement on the 'Definition of Low-Halogen Electronics (BFR/CFR/PVC-Free).'" Plastic parts contain <1,000 ppm (0.1 percent) of bromine (if the Br source is from BFRs) and <1,000 ppm (0.1 percent) of chlorine (if the Cl source is from CFRs or PVC or PVC copolymers). All printed circuit board (PCB) and substrate laminates contain bromine/chlorine total <1,500 ppm (0.15 percent) with a maximum chlorine of 900 ppm (0.09 percent) and maximum bromine being 900 ppm (0.09 percent). Service parts after purchase may not be BFR/PVC-free. Power supply, power cords, keyboard, mouse, and DVI-to-VGA adapter are not BFR/PVC free. ³ Optional accessories sold separately. ⁴ Service levels and response times for HP Care Pack Services may vary depending on your geographic location. Service starts from date of hardware purchase. Restrictions and limitations apply. HP Care Pack Services extend service contracts beyond the standard warranties. To choose the right level of service for your HP product, use the HP Care Pack Services Lookup Tool at www.hp.com/go/lookuptool. Additional HP Care Pack Services information by product is available at www.hp.com/hps/carepack.

About us

- Legacy Technology Services is a leading nationwide provider of mobile computing, barcode, printers and point of sale equipment and services.
- For over a decade, thousands of clients across North America have trusted us to provide equipment from leading manufacturers backed by the services to support them.

Latest Hardware from top manufacturers

- Legacy handles virtually every major manufacturer of mobile computing, barcoding and point of sale equipment.

Expert Repair and Maintenance services

- Legacy is one of the best repair facilities in North America

Discontinued product sourcing

- They don't make it anymore? Our inventory also includes manufacturer close-outs and discontinued equipment to support our clients legacy infrastructure.

Trade-in and Disposal services

- That old equipment laying around your facility may still have some value. Legacy routinely purchases equipment from our clients around the globe.
 - Data destruction
 - Hardware disposal
 - Auditing services

Dedicated client account team

- Dedicated, highly trained account managers are here to answer all your questions and provide top notch service.

Equipment rental services

- Sometimes renting is a better solution, Legacy's huge rental inventory provides the equipment you need for temporary needs and projects.
